-ਮਿੱਤਰ ਸੈਨ ਮੀਤ

“If none responds to your call, walk alone, walk alone!.... to drive the blade a little froward in your time, and to feel that somewhere among these millions you have left a little justice or happiness or prosperity, a sense of manliness or moral dignity, a spring of patriotism, a dawn of intellectual enlightenment or a stirring of duty, where it did not exist before-that is enough.”

-Justice Krishna Iyer

“Everything has been said already : but as no one listens, we must always begin again.”
